## Registration Link

Early bird tickets for the 2024 Africa Soft Power Summit are officially LIVE!

The Summit is THE premier event for the continent's creative and cultural industries and women's leadership hosted in Africa, but focused on the whole world.

What to expect: Fresh perspectives on the trends shaping Africa's business and creative landscape; valuable network and business opportunities; game-changing conversations on the global social and economic priorities of our time - from women's leadership to climate change and much more; experiential activities.

But hurry, this offer ends on February 29th! Don't miss out – [register now and get your tickets!](#)

P.S. Share this with your network and spread the word!
