

Dear Friends & Family,

Africa Soft Power, in collaboration with Convene Africa, invites you to join us at the Forward Africa Leaders Symposium on **September 24th in New York City!**

Held on the margins of the 79th United Nations General Assembly, the Forward Africa Leaders Symposium is committed to establishing strategic partnerships to propel the delivery of sustainable policy initiatives to achieve the “Africa we want”. The Symposium is convening global and African leaders at the forefront of financial technology and services to commit to leapfrogging the actions required for an integrated digital economy for Africa.

Across two panels, the Symposium will tackle two main themes:

- **Windows of Opportunity: Innovating for Shared Prosperity through Remittances and Global Connections**
- **Cross-sector Collaborations: Investing in Critical Digital Public Infrastructure and Strategic Partnerships to Advance a United Digital Economy**

Our UNGA events have a legacy of impactful dialogue; consistently bringing together stakeholders from public, private, government, and third-sector organisations, as well as unique individual voices from creative fields to tackle pressing global issues. Speakers comprise visionary business leaders, innovators, academics, policymakers, and other thought leaders.
