Travel advisory

[Here's a link to download a preliminary travel advisory for the summit.](#) We'll be issuing a more comprehensive version in due course, but one of the key things to flag at this stage is that all foreign visitors to Kenya are required to obtain an eTA prior to departure. Applications are typically processed within 3 days, but it's advisable to apply at least 2 weeks before your travel date, and you can submit your application up to 3 months in advance. For more details and to apply, [visit the official government website.](#)

As always, we're on-hand to help with any questions or requests you may have along the way, and to get in contact with us directly simply email:
